

Sprint Goal: Produce requirements for team projects. The team is expected to collaborate, review documents and produce agreed-upon requirements in form of user stories.

Sign up & Login

- As a new user, I want to sign up so that I can use the platform
- As an existing user, I want to log in so that I can access the platform.
- As a user, I want to reset my password if I forget it, so that I can regain access to the platform.

Update/view profiles

- As a user, I want to update my profile details so that my profile is up-to-date.
- As a user, I want to see other users' profiles so that I can see their basic information, ratings, and textbook listings.

Post textbooks

- As a seller/renter of books, I want to list a book with relevant details so that potential buyers can easily find it.
- As a seller/renter of books, I want to update/delete my listing for a book so that potential buyers don't make a purchase on outdated information on the book's details or availability

Search textbooks

- As a potential buyer/renter, I want to easily search for a book so that I can confirm its availability.
- As a potential buyer/renter, I want to compare the offerings for a particular book so that I can buy/rent the best one in terms of price, condition, and other factors

Transaction

- As a potential buyer/renter, I want to initiate a transaction on a book I like so that I can obtain it.
- As a user, I want to DM the user I'm transacting with so that we can settle logistics, payment method, and other details for the book
- As a seller/renter, I want to leave a review of the buyer (especially if they rent) so that others may know how the buyer treats the book
- As a buyer/renter, I want to leave a review of the seller so that other know may know whether this seller is honest and easy to transact with
